CRS Hardware Options:

Hisense HK-570 (Linux)

The HK-570 is a 15" true flat screen terminal. The low profile, double articulating, die cast stand allows the terminal to fold flat. The HK-570 powered by DatasymPRO is the perfect solution for the Retail and Quick Service Hospitality industries.

HK-570

Sam4s SAP-630 (Linux)

The Sam4s SAP-630 is a Hybrid designed POS terminal featuring an intuitive 10" touch screen operator display combined with an ECR (flat or raised) keyboard to facilitate a fast checkout speed.
